

The 16th World Congress on Mechanism and Machine Science (IFTOMM WC2023)

Call for Sponsorship

IFTOMM World Congress is the largest congress in the field of mechanisms and machine science, held every 4 years. The congress offers an excellent opportunity to report on the latest technologies, share experiences, and discuss future collaborations, with 700 international participants expected.

We are pleased to invite you to join this congress as a proud sponsor. We have several sponsorship categories available, such that you can communicate with the leading researchers and engineers, as well as young students, in various ways.

General Information of the Congress
