

IFTToMM

International Federation for the Promotion of Mechanism and Machine Science

IFTToMMists over time

by Marco Ceccarelli, past IFTToMM President 2008-2011 and 2016-19

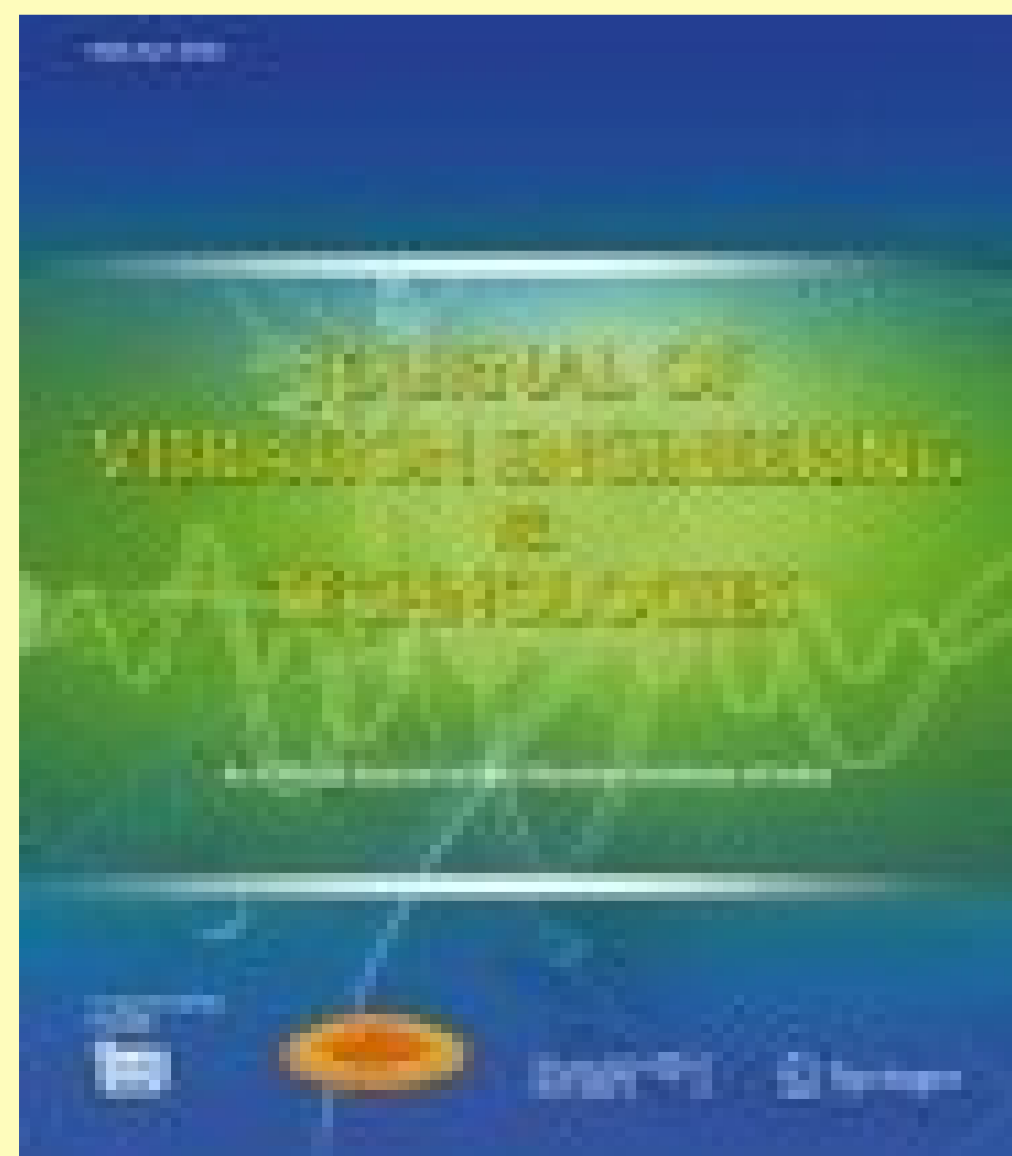

October 2023

Publications frames for sharing and disseminating results of cooperation and development of modern results in Mechanism and Machine Science by assisting and enhancing IFTToMM International collaboration

Mechanism and Machine Theory (Elsevier)
<https://www.sciencedirect.com/journal/mechanism-and-machine-theory>

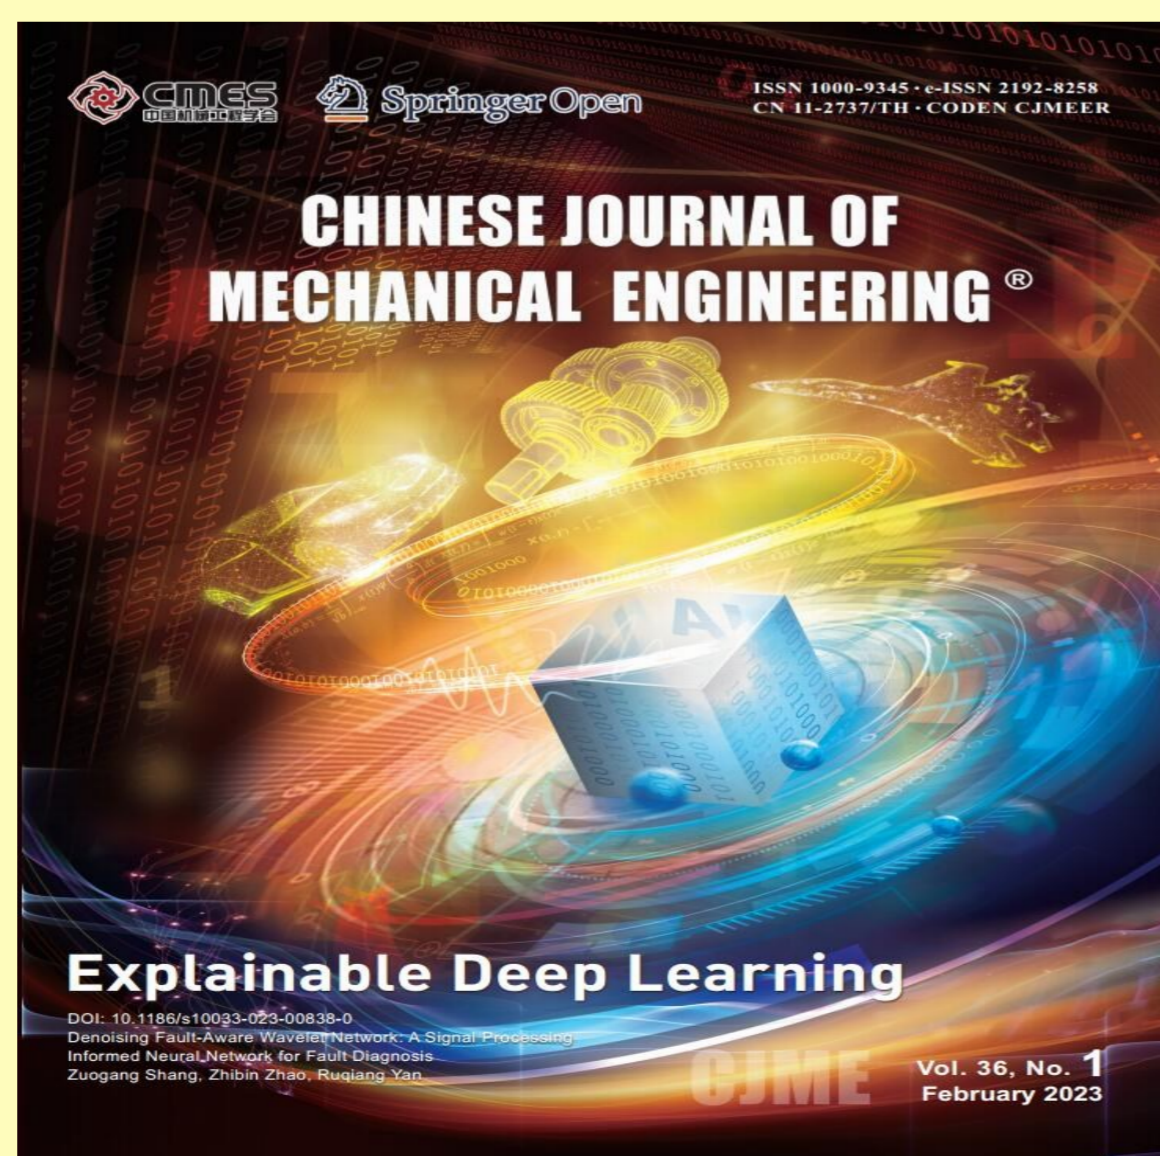

Advances in Vibration Engineering (Springer)
<https://www.springer.com/journal/42417/>

Open-Access Mechanical Science (Copernicus Publications)
<https://www.mechanical-sciences.net>

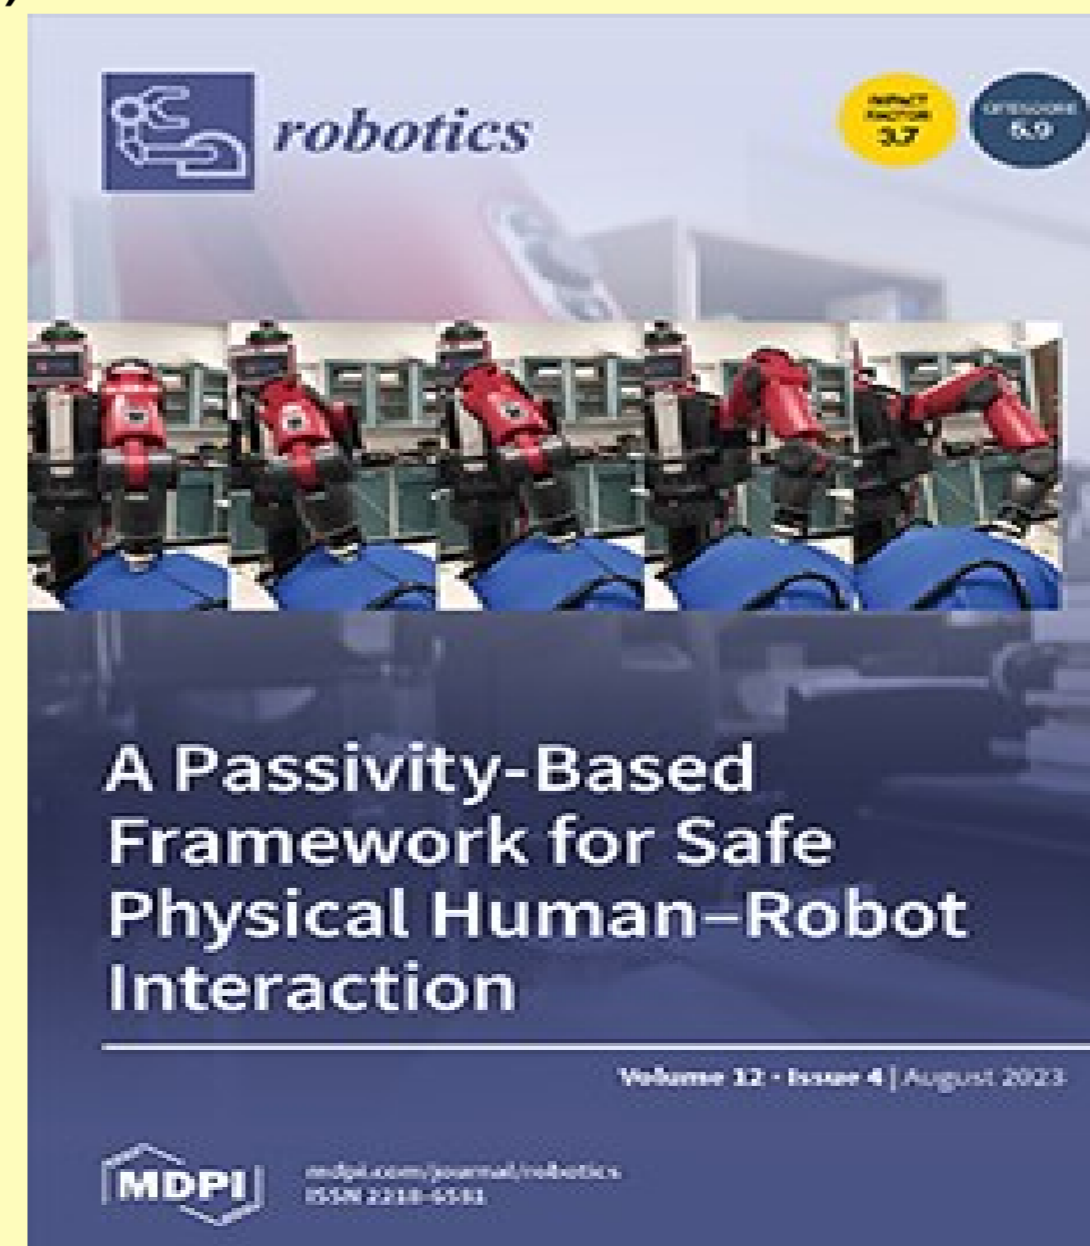

Chinese Journal of Mechanical Engineering (CMES, Springer Open)
<http://www.cjmenet.com/>

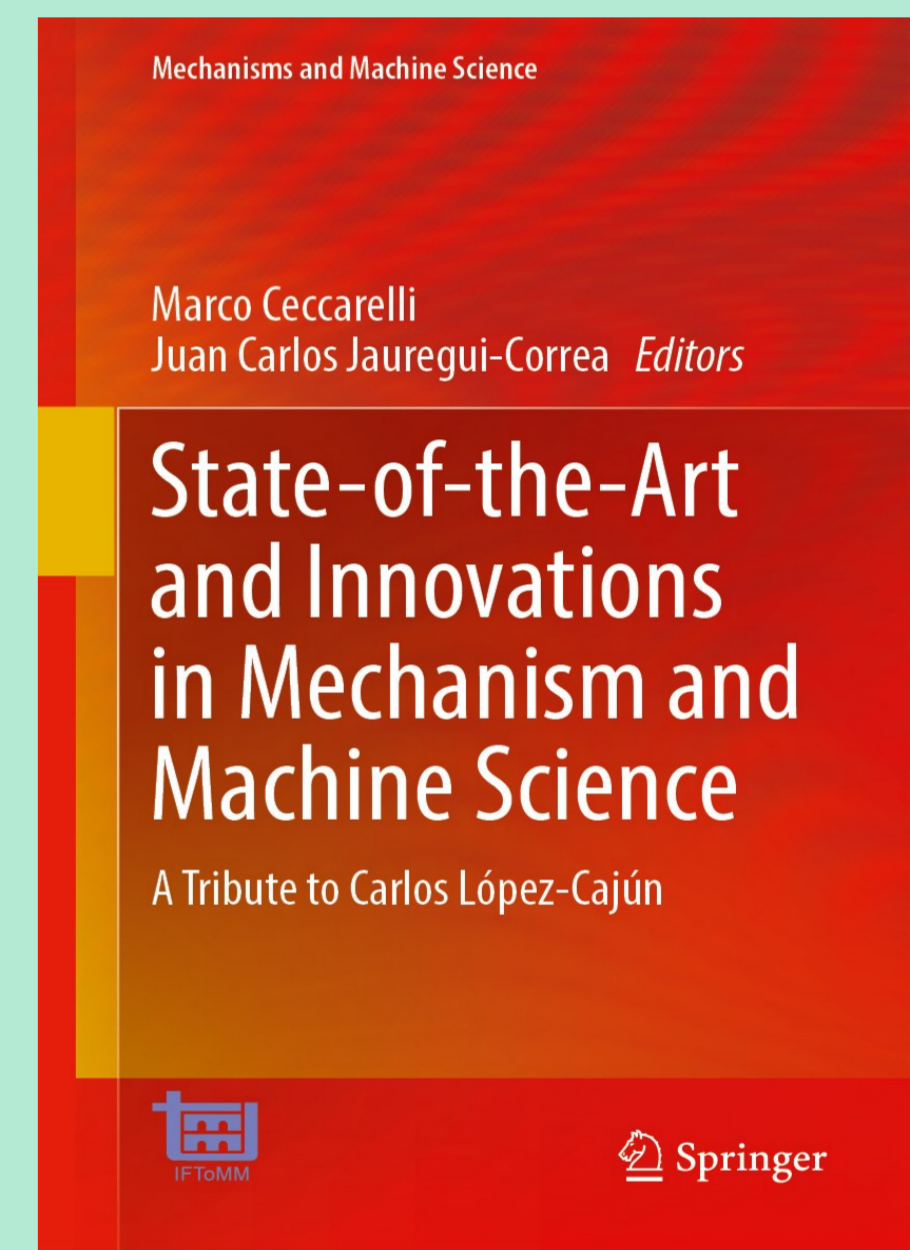

MDPI journal Machines (MDPI)
<https://www.mdpi.com/journal/machines>

MDPI journal Robotics (MDPI)
<https://www.mdpi.com/journal/robotics>

Bookseries on MMS (Springer)
<https://www.springer.com/series/8779>

Bookseries History of MMS (Springer)
<https://www.springer.com/series/7481>
